

## LINDRUM FOR PRESIDENT

Lindrum, a new Australian wine brand, will be served to the world's most famous man, former US President Bill Clinton, at An Evening with President Clinton, Saturday, 8th September 2001 at the The Randwick Pavilion, AJC Convention Centre, Randwick.

Lindrum wines have been produced to commemorate the significant and unique contributions made by the Lindrum family in the areas of primary industry, sport and entertainment.

As the greatest billiard playing family of all time, the Lindrum's produced five world champions and two professional world champions in only four generations - Friedrich, his sons Frederick III and Walter and grandson, Horace. The family dominated cue sports in Australia and internationally from 1869 to 1974. Lindrum world records remain undefeated.

At An Evening with President Clinton, guests will be offered wines from Lindrums first release. Each wine is named after a family member - '**The Clara**' Semillon Chardonnay, '**The Frederick III**' Chardonnay, '**The Walter**' Shiraz and '**The Horace**' Cabernet Shiraz.

Jan Lindrum, daughter of Horace Lindrum and founder of Lindrum Wine Estates is very pleased to be involved with An Evening with President Clinton.

'I'm so excited that Lindrum wines will be part of such an important event. The wine tells our story,' says Jan Lindrum, 'a story that is part of Australia's great history and a story that deserves to live on.'
